The product needs a safety surface

A fun and challenging multi activity centre comes equipped with many activity elements. It can be reached via the stairs, a ramp or by climbing the ladders. The product has six platforms (two of which have roofs), which are connected by a bridge of swinging steps, a net tunnel or a net bridge. Sliding down a slide or a spiral slide offer a moment of fun and rest. The centre is equipped with various climbing walls, ladders and two fun play corners with benches, one with kitchen and the other with car dashboard elements. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
