The product needs a safety surface

This play centre with four platforms provides a selection of diverse elements which are suited for many different activities. The centre can be accessed via a vertical or an arched ladder. A net tunnel, a crawl tunnel and a sloping net bridge connect the platforms. The play centre is equipped with two slides and climbing walls, a fireman's pole and an activity game Tic-Tac-Toe. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
