This toddler play centre with its four platforms contains various elements that help develop gross motor skills and promote active play. Stairs with handrails and a ramp with rungs lead up to the platforms. A secure net bridge with handrails, two ramps with rungs and a two crawl panels connect the platforms, a slide takes kids down again. The play centre comes with an integrated sandbox, which is equipped with a small play table and corner platforms, which offer a space for all sorts of sand creations. An abacus, several rotating panels, a Tic-Tac-Toe game, a clock with hands, moveable sailboats and five captain's helmets help develop fine motor skills.
