The product needs a safety surface

This fun and versatile play centre is fitted with activity elements and can be accessed by stairs with handrails, ladders and platforms. The product has 9 platforms of varying sizes and shapes (5 with roofs). Two castle tower platforms offer a fun stopping place. The platforms are connected by a bridge with swinging steps, a crawl tunnel, a net tunnel, a net bridge, a ramp, etc. The centre comes equipped with two slides and two tunnel slides and it offers equipment for building strength, balance and coordination: a horizontal and a vertical net wall, ladders, a climbing wall with holes, and climbing ropes. Hidden beneath the platforms are three play corners fitted with a bench and either kitchen or car dashboard elements. The side panels of the play centre can be switched for various activity walls or thematic printed panels.
