A toddler play centre with two platforms and a slide. Small stairs lead up to the platform with the slide. The centre is equipped with a low climbing net and a Tic-Tac-Toe game, a shop counter, an abacus and various activity panels add an extra level of fun. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
