A toddler play centre with a playhouse and a sandbox, which combines several children's favourite activities in one complex. Its stairs with side panels lead to a platform lined with activity panels, which is equipped with a slide. The sandbox is equipped with a small play table and its corners offer extra platforms for all sorts of sand creations. A play house with a roof offers shade and is suitable for role playing. The centre is equipped with several moving play walls and a captain's helm to help develop fine motor skills.
