| Climbing walls | $\begin{aligned} & 1 \text { pcs } \\ & \text { HDPE plastic } \end{aligned}$ |
| Tunnels | 1 pcs Plastic |
| Slopes | 1 pcs Plywood |
| Stairs with handrails | $\begin{aligned} & 1 \text { pcs } \\ & \text { Laminated wood } \end{aligned}$ |
| Activity panels | $\begin{aligned} & 1 \text { pCs } \\ & \text { HDPE plastic } \end{aligned}$ |
| Posts | 10 pcs <br> Laminated wood |
| Panels/Plates | 5 pcs HDPE plastic |
| Tubes | 5 pcs <br> Galvanized and powder coated steel |

A play centre with three platforms, a tunnel and two slides. Stairs with handrails lead to the lower platform where a crawl tunnel leads to a slide, which offers a way down. A sloping bridge with handrails and steps leads to the higher platform with a roof where another slide offers a way down. Beneath the higher platform is an abacus. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
