The product needs a safety surface

A play centre with two platforms and roofs, which can be accessed via a net ramp or a rock climbing slope. The play centre is equipped with a slide and the higher platform offers a fireman pole for sliding down. The centre has a fun play corner with a bench, which can be fitted with kitchen or car dashboard elements. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
